Thank you for subscribing to my Newsletter.

This is an original Mandala coloring page designed by myself, Colleáyn Klaibourne. Mandalas are very powerful for inner focus, inner peace and healing.

- * Resolution: 300 dpi, perfect for printing
- * Size 8 ½" x 11"
- * Instant download. You will not receive anything in the mail.
- * No printed materials or frames are included.

Print it on any type of 8 ½ x 11" paper your printer allows. Bristol paper, card stock, matte paper and mixed media paper works very well. Fill in the coloring page with pens, ink, colored pencil, watercolors, etc. Mixed Media paper is great for a watercolor painting. This can be easily framed to hang on your wall or gift to someone. Print and color for your own personal use.

Important notes

- * The Colors depicted on your screen may be slightly different from the actual print. The colors may vary from monitor to monitor or viewing device due to the color calibration of your device or monitor.
- * For art prints, we recommend printing the pages using a high quality printer or commercial printer, at your local office supply store or printing service for best results.
